A contestant who is in the last year of an age category can compete in 1 higher age category. For example, a minor born in 2013 can participate with the cadets. The head coach chooses, together with the competitor, in which age category to participate. However, this does not apply to pupils, they can only participate in their own age category. Girls and boys can be taken together in the pupils. For the year of birth 2007 a contestant can join the juniors or seniors.
